WONDER

Have you ever stood in awe of a natural wonder—like a pristine glacier, a golden sunset, or the vast ocean—and been amazed by its beauty? Moments like these remind us of the incredible God who created it all. So, what would it look like to live every day in awe of our Creator? In this 4-week series from the book of Psalms, we'll explore what it means to worship—not just with songs or prayers, but with the way we live. Our lives are shaped by our response to the wonder of who God is, and we'll see that **we worship because God is holy, God provides, God is faithful, and God can heal.**
